

XXVII RNE - XI CIE SPECTROSCOPY

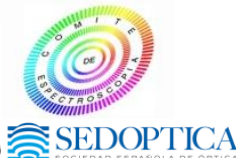

MÁLAGA • JULY 8-10 2020

University of Málaga (UMA) and Spectroscopy Committee of SEDOPTICA (Sociedad Española de Óptica) are pleased to invite you to participate in the *XXVII National Spectroscopy Meeting (XXVII RNE)-XI Iberian Spectroscopy Meeting (XI CIE)* that will be celebrated in Málaga from 8 to 10 of July 2020.

The International Conference will be organized in collaboration with Sociedad de Espectroscopía Aplicada (SEA), Sociedad Española de Química Analítica (SEQA), Sociedade Portuguesa da Química (SPQ) and Sociedade Portuguesa da Bioquímica (SPB).

The principal goal of the meeting is to contribute to spread the latest developments in the spectroscopy field in fundamental aspects and applications, motivating the participation of senior and young researchers and students. Following the tradition of previous editions, presentations will establish a forum to stimulate exchange of knowledge and scientific collaborations.
